Speaker Biographies

Martin Moloney

Secretary General of the International Organization of Securities Commissions

Martin Moloney joined the International Organization of Securities Commissions (IOSCO) in September 2021 as Secretary General. Prior to joining IOSCO, Martin was Director General of the Jersey Financial Services Commission (JFSC) and before that he worked as a Special Adviser on Risk and Regulation to the Central Bank of Ireland (CBI), where he served for 16 years, previously heading up the Markets Policy, Markets Supervision, and Legal and Finance Divisions respectively. Prior to joining the CBI, Martin worked for brief periods in the Department of Justice and the Irish Competition Authority, and spent ten years working in the Irish Department of Finance in positions of responsibility in relation to both national and semi-State debt management and the sale of State banks. Martin spent his early career working in Industry at Barclays Bank and the Bank of Ireland in London. Martin has an LLM in Business Law and a Masters qualification in Economic Policy, both from Trinity College Dublin. He has Postgraduate Diplomas in Arbitration, Regulatory Management and has completed professional examinations of the Chartered Institutes of Bankers and the Chartered Institute of Arbitrators.

Abigail Ng

Executive Director of Markets Policy at the Monetary Authority of Singapore

Ms. Abigail Ng is Executive Director and Head of the Markets Policy & Consumer Department. She oversees the formulation of policies on the capital markets to promote fair, orderly, and transparent markets, safe and efficient financial market infrastructures, as well as policies on market conduct to achieve fair outcomes for investors, and shape corporate governance

INTERNATIONAL ORGANIZATION OF SECURITIES COMMISSIONS

HARVARD LAW SCHOOL AND THE
PROGRAM ON INTERNATIONAL FINANCIAL SYSTEMS

standards. She also oversees MoneySense, the national financial education programme.

Ms. Ng previously headed various departments in the Monetary Authority of Singapore (MAS) with supervisory responsibility for market infrastructure including exchanges, central counterparties, and the central depository; as well as the capital markets including the regulation of offers of securities, the conduct of takeover and merger transactions, and the Singapore Exchange as frontline regulator for listed entities.

Ms. Ng represents MAS at various international fora such as at the ASEAN Capital Markets Forum (ACMF), and at the International Organisation of Securities Commissions (IOSCO) where she is involved in work of the IOSCO Fintech Taskforce chaired by the MAS, tasked with examining policy issues related to crypto assets, and the IOSCO Sustainable Finance Taskforce where she was deeply involved in work dedicated to improving securities issuers sustainability-related disclosures.

Amy Starr

Deputy Director, Strategic Hub for Innovation and Financial Technology Office (FinHub) at the U.S. Securities and Exchange Commission

Amy M. Starr is Deputy Director of the SEC's Strategic Hub for Innovation and Financial Technology ("FinHub") Office. Over her 30 years at the SEC, Ms. Starr has held many positions in the Division of Corporation Finance, including as Chief Advisor for FinTech Capital Markets and Chief of the Division's Office of Capital Markets Trends, which was responsible for evaluating trends in securities offerings and the capital markets more generally, including novel securities offerings and derivatives issues. Ms. Starr also served as Senior Special Counsel to two Division Directors, Senior Special Counsel in the Division's Office of Chief Counsel, and as a Special Counsel in the Division's Disclosure Operations. Ms. Starr has been involved in many important SEC rulemakings and disclosure initiatives, including Securities Offering Reform, Regulation FD, municipal securities disclosure initiatives and reports, swaps and security-based swaps rulemakings under Title VII of the Dodd-Frank Act, and Volcker rulemaking. Prior to joining the SEC in 1992, Ms. Starr practiced corporate and securities law for 11 years in New York City. Ms. Starr received

INTERNATIONAL ORGANIZATION OF SECURITIES COMMISSIONS

HARVARD LAW SCHOOL AND THE
PROGRAM ON INTERNATIONAL FINANCIAL SYSTEMS

her J.D. from Washington University in St. Louis and her B.A. from William Smith College.

Carsten Ostermann

Head of the Market and Digital Innovation Department at the European Securities and Markets Authority

Carsten joined ESMA in 2012, became Team Leader for Secondary Markets in 2014 and Head of the Trading Unit in 2019. Currently he is the Head of the newly established Markets and Digital Innovation Department.

The Department is responsible for developing implementing measures and supervisory convergence in the EU for secondary markets, market integrity, short selling, post-trading and settlement and commodity derivative issues. The Department is also covering implementation and convergence in the EU for crypto markets and digital operational resilience plus other files in the area of digital innovation.

Prior to joining ESMA, Carsten was a seconded expert at the European Commission. He also served as a policy officer in the German Ministry of Finance and Germany's financial regulator BaFin. Before joining the public sector, Carsten was a consultant for a consultancy in London. He holds a German law degree and an LL.M. in international law and is qualified as a lawyer in Germany and as a solicitor in England and Wales.

Elizabeth Wong

Head of Fintech Policy at the Securities and Futures Commission of Hong Kong

Ms Elizabeth Wong is a Director of Licensing and Head of Fintech unit of the Hong Kong Securities and Futures Commission.

Her work involves the formulation of the Commission's policy on fintech matters and leading and supervising the licensing application approval process for virtual asset trading platforms, robo-advisers, virtual asset fund managers and traditional securities and asset management firms. Prior to

INTERNATIONAL ORGANIZATION OF SECURITIES COMMISSIONS

HARVARD LAW SCHOOL AND THE
PROGRAM ON INTERNATIONAL FINANCIAL SYSTEMS

taking up this role, Ms Wong worked in the Investment Products Division and the Intermediaries Supervision Department and played a key role in Commission-wide policy initiatives including developing and enhancing Hong Kong as an international asset management centre and introducing guidelines for regulating the sale of investment products through online distribution and advisory platforms.

Ms Wong practised as a banking and finance lawyer in Hong Kong prior to joining the Commission.

Stefan Gavell

Vice Chair of Executive Education at PIFS

Stefan Gavell was previously Executive Vice President and Global Head of Regulatory, Industry and Government Affairs for State Street Corporation with responsibility for global regulatory, industry and government relations. In this position, he was responsible for representing State Street with regulators, legislators and other policymakers worldwide.

Mr. Gavell has supported and been actively involved in the Program on International Financial Systems as a speaker and moderator for more than 10 years.

Representing State Street, and in conjunction with leading industry associations, Mr. Gavell successfully advocated on legislative and regulatory issues, in the US, Europe, and Asia, on banking, securities and asset management matters. Mr. Gavell has deep experience in financial markets, market regulation and governance as a result of his close to 40-year career and held numerous positions at State Street, including as Treasurer, acting CFO, and Head of International Global Markets, and held expatriate assignments in Hong Kong, Japan, the UK and France. He previously held positions as President of State Street International Holdings, and on the Board of State Street Global Markets, LLC. He served on served on numerous governance committees including management, financial policy, asset and liability, compliance and conduct, and numerous banks, investment management, and securities subsidiary boards. He joined State Street in 1990 as General Manager in Japan.

INTERNATIONAL ORGANIZATION OF SECURITIES COMMISSIONS

HARVARD LAW SCHOOL AND THE
PROGRAM ON INTERNATIONAL FINANCIAL SYSTEMS

Mr. Gavell is a member of numerous professional bodies, including long tenure as President of the American Bankers Association Securities Association. He currently serves on the board of the Global Financial Markets Association and is a frequent speaker on banking and financial markets topics at conferences and seminars.

Stefan received his B.A. in Economics and Government from Oberlin College and his M.B.A. from Columbia University.

Aaron Iovine

Head of Digital Assets Regulatory Policy at JP Morgan Chase

Aaron Iovine is the Global Head of Digital Assets Regulatory Policy at JPMorgan Chase. His areas of focus include deposit tokens, tokenization of real-world assets, CBDCs, stablecoin, non-bank financial institutions and service providers and blockchain based infrastructure. Aaron works at the intersect of law, policy and regulation, focusing on the developing global frameworks for digital assets and blockchain based product offerings.

Corey Then

Vice President of Global Policy at Circle Internet Financial

Corey Then is the Vice President of Global Policy at Circle. Prior to joining Circle, Corey served as the Chief Legal Officer of Moneta, an investment adviser with \$40 billion in AUM. He also served four years in the Obama Administration, including at the White House as an attorney, Special Assistant to the President and leader of the Economics team in Presidential Personnel; and as Deputy General Counsel of the U.S. Department of Agriculture. He has also served as a senior attorney at Edward Jones and at Williams & Connolly law firm in Washington, D.C.

Corey graduated magna cum laude from Duke Law School, where he was elected to Order of the Coif, as a Note Editor of the Duke Law Journal, and as a special projects editor on the Duke Journal of Constitutional Law and Public Policy. He also graduated summa cum laude from Truman State University.

HARVARD LAW SCHOOL AND THE
PROGRAM ON INTERNATIONAL FINANCIAL SYSTEMS

Scott Bauguess

Vice President of Global Regulatory Policy at Coinbase Global, Inc.

Dr. Scott Bauguess is VP Global Regulatory Policy at Coinbase, a position responsible for consultations with regulatory authorities that oversee the banking and financial market sectors worldwide, including global standard setting organizations. He previously served as the Deputy Director of the Division of Economic and Risk Analysis at the U.S. Securities and Exchange Commission, where he supervised economic analyses of recommendations to enact federal rules related to capital raising, investment management, broker dealers, market structure, and derivative securities. Dr. Bauguess is also a member of the finance faculty in the McCombs School of Business at the University of Texas at Austin and holds a teaching appointment in the University of Michigan Law School. He received a B.Sc. in Electrical Engineering from the University of Illinois and M.Sc. in Electrical Engineering and Ph.D. in Finance from Arizona State University.

John Gulliver

Executive Director of PIFS

John Gulliver is the Executive Director of the Program on International Financial Systems. John oversees all of PIFS' activities, including research, events, and training programs for financial regulators. PIFS' research focuses on policy issues impacting the global financial system, such as equity market structure, liquidity in U.S. Treasury markets, stress testing large banking institutions and the rise of cloud computing. John drafts PIFS' reports and formulates policy recommendations with PIFS' President, Hal Scott. PIFS' events include international symposia, US-Japan (25 years), US-China (20 years), US-Europe (21 years). In addition to hosting the symposia, John works with PIFS' partners and sponsors to determine the topics, speakers, and participants at each private off-the-record event. PIFS also delivers several training programs for financial regulators, including two programs in partnership with the International Organization of Securities Commissions and a program for financial regulators in China. John collaborates with academics, government

INTERNATIONAL ORGANIZATION OF SECURITIES COMMISSIONS

HARVARD LAW SCHOOL AND THE
PROGRAM ON INTERNATIONAL FINANCIAL SYSTEMS

officials and private-sector experts to determine the policy issues of focus for each program and designs the curriculum.

Hal S. Scott

Emeritus Nomura Professor of International Financial Systems at Harvard Law School and President of the Program on International Financial Systems

Hal S. Scott is the Emeritus Nomura Professor of International Financial Systems at Harvard Law School (HLS), where he taught from 1975-2018. His HLS courses were on Capital Markets Regulation, International Finance, the Payment System and Securities Regulation. He is currently an adjunct Professor of Public Policy at the Harvard Kennedy School of Government where he teaches Capital Market Regulation and a guest lecturer at Tsinghua University. He has a B.A. from Princeton University (Woodrow Wilson School, 1965), an M.A. from Stanford University in Political Science (1967), and a J.D. from the University of Chicago Law School (1972). In 1974-1975, before joining Harvard, he clerked for Justice Byron White.

He is the Director of the Program on International Financial Systems (PIFS), founded in 1986, as part of Harvard Law School, which became independent in 2018. Besides doing research, the Program organizes the annual invitation-only U.S.-China, U.S.-Europe, and U.S.-Japan Symposia on Building the Financial System of the 21st Century, and special event roundtables. HLS is the non-financial sponsor of these events. In addition, PIFS partners with Executive Education at HLS in offering executive education for financial regulators. Professor Scott's books include the law school textbook *International Finance: Transactions, Policy and Regulation* (23rd ed. Foundation Press 2020); *Connectedness and Contagion* (M.I.T. Press 2016) and *The Global Financial Crisis* (Foundation Press 2009). He is the author of numerous journal articles and oped pieces in leading newspapers.

Professor Scott is also the President and Director of the Committee on Capital Markets Regulation, a bi-partisan non-profit organization organized in 2006, dedicated to enhancing the competitiveness of U.S. capital markets and ensuring the stability of the U.S. financial system via research and advocacy. He is also an independent director of MEMX, the Members Exchange and a member of the Market Monitoring Group of the Institute of International Finance. He is a past independent director of Lazard, Ltd. (2006-2016), a past
